

Crew, project, and long stay bookings

Our travel experts specialise in ensuring safe, comfortable, and affordable crew, project and, long stay bookings - let us take one more thing off your to-do list.

- Our travel experts will source, negotiate, and book accommodation depending on your needs, like self-catering cottages and apartments for your crews and projects.
- We will do the heavy lifting and manage special requests like meals, and parking requirements.
- We offer a one-hour response time to the initial enquiry.
- Gain full visibility and control of all long-stay bookings, ensuring all spend is in line with your company travel policy, and view the breakdown in one consolidated invoice in Roomex Analytics.

Our travel experts take the stress out of project bookings while prioritising savings

- Prices for larger bookings are often different than advertised on Roomex. Unique terms and conditions apply for each group dependent on the property.
- Accommodation providers usually take between 24 and 72 hours to respond to these requests.
